

Are You Ready To Have Some Fun This Summer?

We will be working in the gardens, cooking, arts & crafts, singing, story

time, and playing games.

Please join us at the Enosburg Elementary School for these FREE programs!

Mrs. Bosley and Mrs. Jacobs are preparing to have all kinds of fun, games and great lunches!

The only thing we ask of you is, if you come to Gardens For Learning, you need to stay for lunch.

If you have any questions, please call Earleen Bosley at 933-2171 ext. 14.
